Judge Hal Hardin
Metropolitan-Davidson County
Circuit Court II
Davidson County Courthouse
Nashville, Tennessee

Dear Judge Hardin:

Mr. Perry Chapdelaine has informed me that in a suit which he has against Mr. Henry Haile, Mr. Haile has objected to an affidavit which I executed because he cannot cross-examine it.

I write to inform you that I am willing to be cross-examined by Mr. Haile's counsel on my affidavit and other facts not contained in it which are relevant to Mr. Chapdelaine's suit.

Because of the time and expense it would save me, I would prefer that this be done by written interrogatories. I recognize, however, that there are good reasons why it might be preferable for me to appear and testify in open court. If need be, I will come to Nashville to testify.

Sincerely yours,

Jim Lesar
